I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments:

I spent thousands of dollars on
my arthritis problems with medical doctors
and many costly tests. They only suggested pain
killers. With vitamins and diet I am now
pain free and a firm believer in Holistic Health.
